## Marian Catholic Aquinas Program Application

***Marian Catholic High School is proud to announce the creation of an Aquinas Learning Support Program for the 2021-2022 school year.*** This school year will be year one of a three-year implementation of the full Aquinas Program at Marian Catholic. The Aquinas Program offers a Christ-centered, quality academic education within a Catholic School environment for children with identified specific learning disabilities. Current and future Marian Catholic students who meet the requirements of the Aquinas Program will be eligible for Aquinas programs and services immediately, with expansion of the program in the years to come. Emphasis is placed on helping students to gain self-advocacy skills, increased confidence and develop leadership while supporting individual learning differences. We strive to educate the whole child in the areas of physical, social, emotional, intellectual, and spiritual development, while respecting the dignity and potential of each person. **To be eligible for the program, a student must have Individualized Education Plan (IEP) or Section 504 Plan upon enrolling at Marian Catholic.**
