OUR BELIEF

Marian Catholic's quality, Christ-centered education should be affordable for all of our students. Marian Catholic has a developed tuition assistance program to help attract and assist students who desire our education rooted in faith, family, and tradition, including those who might not otherwise pursue a private, Catholic education. In addition, we offer a variety of payment plan options including a 10-month plan that runs annually from August to May.

Marian Catholic offers this financial aid to families that qualify based on financial need. Average tuition assistance is typically between \$3,000 and \$4,000 per student who qualifies.

Both Marian Catholic and our families make significant financial sacrifices to support the choice of a Catholic school education. Our policies and philosophy attempt to ensure that each family is subject to the same guidelines as we evaluate the needs of your family. Since we believe strongly in the financial contribution of the family, no students at Marian Catholic are fully-funded through our tuition assistance program.

HOW NEED IS DETERMINED

MCCHS uses Simple Tuition Solutions to determine a base family need for tuition assistance. Income eligibility guidelines are determined by the State of Pennsylvania (please contact Ms. Fox for current year allowances). Families applying for tuition assistance will need to complete an application and submit the necessary documentation to STS by June 1. The application becomes available in November and you will use the previous year's tax return to complete the application.

MCCHS will NOT award any tuition assistance until an application has been fully processed and verified by Simple Tuition Solutions. If you have any questions about this process, please reach out to Simple Tuition Solutions customer care team at 717-599-7611 (Option 1) or by email at support@simpletuitionsolutions.org.
